Product Features

Natural wood color

Material:

dried

unpainted

unvarnished

smoothed

knife-friendly

The materials offered by our company are made with attention to the smallest details. By buying the product, you care for a manufacturer with tradition.

Ensuring a high standard of household articles through cutting, planing, sanding, and milling, the resulting products are very well smoothed and free of irregularities and knots

We pay great attention to properly packaging the material for transportation. As manufacturers, we offer the best price-to-quality ratio. As a supplier of kitchen articles, we value cooperation based on trust and friendly customer service. Our distinguishing factors are a pro-client approach and timely deliveries.
